

Walnuts Perk Up Loaves With Seasonal Crunch

During the holidays, we like to bring out the baking pans and get at it. And if you are lucky to have some walnut meats stashed away, you might want to try these breads.

Cinnamon and ginger complement the seasonal flavors of Pumpkin Walnut Bread.

The sweetness of fruit and nuts highlights the Apricot Walnut Bread, which has just a hint of lemon.

Both quick breads make a nice light repast for drop-in guests. Both
