

TECH TIPS

GRINDING THE CUMIN SEEDS (for the carrot soup) is easy, even without a spice mill. Seal the seeds in a heavy-duty

resealable plastic bag, and use the flat side of a meat mallet or a heavy-duty metal rolling pin to pulverize them. / Any leftover **CHIPOTLE CHILES** (from the

steak mole) can be chopped and used in scrambled eggs, on burgers, or mixed with mayonnaise for a spicy topping for sandwiches, fries, or fish. /
